Workshop Notice

October 2, 2000 10 am – 4 pm	Hiram Johnson State Building 455 Golden Gate Avenue, Training Rooms 2 and 3 San Francisco
---------------------------------	---

The California Public Utilities Commission's Division of Strategic Planning will conduct a workshop to help write new rules for the **Deaf and Disabled Telecommunications Program (DDTP)**.

Background: The California Legislature passed Senate Bill 669 in 1999 that:

- 1) Creates the DDTP Administrative Committee as an advisory board for the CPUC to help develop, implement, and administer programs providing telecommunications services and equipment to the deaf or disabled, and
- 2) Requires funds for the DDTP be held in the State Treasury (instead of a bank trust fund as is currently done).

This proceeding, known as Rulemaking 00-05-001, is intended to develop procedures to carry out the requirements of SB 669. This rulemaking is aimed at:

Ensuring that the DDTP has adequate administrative authority and resources to "carry out the programs pursuant to the commission's direction, control, and approval" (Public Utilities (P.U.) Code Section 278(a)(1)),

Reviewing the DDTPAC's structure to ensure that it achieves "appropriate representation by the consumers of telecommunications services for the deaf and disabled," as SB 669 requires (P.U. Code Section 278 (a) (2)), and,

Implementing the changes in financial administration that SB 669 requires.

Ground Rules for this Workshop:

The atmosphere at the workshop will be informal. However, a court reporter will record the

Workshop and a transcript will be available at a later time. Only if needed will the moderator impose time limits for speakers and other control measures.

2) The workshop will explore the issues raised in the Order Instituting Rulemaking (OIR), (see <ftp://ftp.cpuc.ca.gov/gopher-data/agenda/r0005001.pdf>), issues presented by the assigned ALJ, and other specific topics raised by participants. The workshop participants are asked to explore and evaluate all the items on the agenda, not merely iterate or defend a position.

3) The CPUC invites anyone interested in this subject to comment in person at this workshop. If you cannot attend, write or e-mail your views to the Commission's Public Advisor: California Public Utilities Commission

Public Advisor's Office

505 Van Ness Avenue, 5th Floor

San Francisco, CA 94102

public.advisor@cpuc.ca.gov

Please include R.00-05-001 in your mail or e-mail.

The hearing location is accessible to persons with disabilities and will have sign language interpreters, real-time captioners, and voicers available. Please call the Commission's Public Advisor at least five working days before the workshop if you need to request other reasonable accommodation: 415-703-2074 (V), 415-703-2032 (TTY) or 800-229-6846 (TTY)

4) Mark Vandervelden of the Division of Strategic Planning will chair and moderate this workshop.

5) Mr. Vandervelden will prepare and file a Workshop Report with the Commission presenting the views of workshop participants. The Commission may use this report as a basis for the discussion of SB 669 implementation issues. For more information contact Mark Vandervelden at (415)703-2329 or by e-mail: mav@cpuc.ca.gov.

		Application of Pacific Gas and Electric Company for a certificate of public convenience and necessity authorizing the construction of the Tri-Valley 2002 Capacity Increase Project.

Summary: LATE FILED: On August 15, 2000, Ben Tarver, Mayor of the City of Pleasanton, and Pleasanton City Council members, Kay Ayala and Becky Dennis, sent a written material (attached to the notice) to Cmmr. Bilas. A copy of the document was also sent to ALJ Cooke and Paul Clanon, Director of the Commission's Energy Division. The written material is a copy of a letter to Beth Shipley in response to a letter from Michael H. Zischke on behalf of Pacific Gas and Electric Company, dated August 15, 2000.

9/20/00 A99-05-020 Kern River Valley Water Company, for authority to increase rates charged for water service to increase revenues by approximately \$609,700 (or 31.36%) in the year 2000, and \$2,200 (or 0.11%) in the year 2002 (N99-03-055). A99-05-023, A99-05-024 – related matters.

Summary: On September 20, 2000, Francis Ferraro, Vice President of Regulatory Affairs for California Water Service Company (CalWater), had a telephone conversation with Kim Malcolm, advisor to Cmmr. Lynch. Ferraro expressed Cal Water's concern that ex parte communications by Leona Valley Town Council have delayed the general rate increase for Antelope Valley Water Company, Kern River Valley Water Company, and Dominguez Water Company for two months. Ferraro explained that Leona Valley is a small community served by the Antelope Valley Water Company. Ferraro stated further that to avoid any additional delay Cal Water supports either treating Antelope Valley Water Company independently or approving the rate increase subject to refund.

Summary: On September 19, 2000, James Squeri, counsel for Hearthside Homes, Inc. (Hearthside), met with Geoffrey Dryvynsyde, advisor to Cmmr. Lynch, in San Francisco. Squeri explained why the City of Huntington Beach (City) is not a viable option as a source of water and sewer services, and addressed the risk Hearthside faces if it pursues annexation in the absence of a pre-annexation agreement. Squeri explained why the Commission need not defer its consideration of the subject applications pending unrelated action by the Coastal Commission. Finally, Squeri pointed out that the City has mischaracterized the "substantive mandate" requirement under the California Environmental Quality Act and misinformed the Commission by its argument.
